

TOWNSHIP OF LOWER MERION
Public Works Department

MEMORANDUM

TO: Eric Traub, Chief Financial Officer

FROM: Donald K. Cannon, Director of Public Works

SUBJECT: 2017 Auction List

DATE: September 6, 2017

Attached you will find the Township's equipment that is being recommended for auction. The equipment on the list has been replaced with new equipment through the Township's Equipment Fund as approved by the Board.

I would note that over 60 percent of the pieces of equipment have had their useful life extended from the projected replacement through the efforts of our Fleet Division staff.
