MEMORANDUM

TO: Eric Traub, Chief Financial Officer

FROM: Edward P. Pluciennik, PE, Township Engineer 
Robert M. Campbell, PE, Senior Engineer 

DATE: July 10, 2019

SUBJECT: Bid Review / Award Recommendation
2019 Storm and Sanitary Sewer Lining and Manhole Reconstruction
LMT Contract No. 4652-4706-4718-4719-4742-19-20

As requested, we have reviewed the following bids submitted by the apparent low bidders for the above-referenced project and are herewith providing our recommendation for award. The following are the apparent low bids:

<i>Manhole Rehabilitation</i>	<u>Advance Rehabilitation Technology</u>	
<i>CIP #4719</i>	Base Bid	\$ 89,325.00
<i>Sewer Lining</i>	<u>IPR Northeast, LLC</u>	
<i>CIP #4652, 4706, 4718</i>	Base Bid	\$ 380,947.25
<i>& 4742</i>	Contingencies	\$ 18,000.00
	Total Bid Amount for Sewer Lining	<u>\$ 398,947.25</u>
	Total Amount	\$ 488,272.25

We find the total price bid of \$488,272.25 to be reasonable for the items of work required. The bid is \$25,727.75, or 5%, less than the total construction budget of \$514,000. Please note the \$18,000 of contingencies will only be used if and when directed by the Township.

Therefore, we recommend that the contract be award to the aforementioned contractors, contingent upon the remainder of the contract requirements being in order. Funds are available through the following Capital Projects Funds: #4652 - Storm Water Facilities Management Project (\$34,687.50); #4706 - Infiltration / Inflow Program (\$26,814.75); #4718 - Sewer Lining Reconstruction Fund Project (\$169,745.00); #4719 - Manhole Reconstruction Fund Project (\$89,325.00); and #4742 - Interceptor Lining Project (\$167,700.00).

We trust that this memorandum adequately addresses this matter. As always, please feel free to contact us if you have any questions or if you wish to discuss any of the above.

Paul McElhaney, Director of Public Works
Albert Augustine, Acting Sanitary Sewer Supervisor
